Indomer Coastal Hydraulics (P) Ltd. is a leading Oceanographic Company in India promoted by a team of Former Scientists from CSIR - National Institute of Oceanography, Goa. Dr. P. Chandramohan, the Managing Director of the company has served 25 years in NIO as Scientist and Head of Ocean Engineering. The company was established in April 1998 and it has emerged today as the best equipped and scientifically managed Institution to undertake multidisciplinary oceanographic investigations, design, analysis, engineering, data collection & interpretation, EIA & EMP studies, planning and project management. Indomer has provided expertise to various governmental and private sectors for more than 1000 projects in various fields of oceanography.

Dr. P. Chandramohan
Managing Director
B.E. (Civil), M.E. (Hydraulics),
Dip. Ocean Engg. (Norway),
Ph.D. (Ocean Engg.), F.I.E.
(India), M. ASCE (USA)

Indomer is an ISO 9001:2015 certification company with QCI – NABET Accreditation for Sector 27: Oil & gas transportation pipeline (crude and refinery/petrochemical products), passing through National Parks/sanctuaries/coral reefs/ecologically sensitive Areas including LNG Terminal and Sector 33: Ports, Harbours, jetties, marine terminals, breakwaters and dredging.

Indomer has experienced oceanographers for different disciplines covering Physical Oceanography, Marine Geology/Geophysics, Marine Chemistry, Marine Biology, Marine Instrumentation, Coastal Engineering, Ocean Modelling, Marine EIA studies, Port Planning, Intake/Outfall Design etc. Over the years, Indomer has emerged as the only private sector organization in India having its own in-house state of the art equipments like Benthos dual frequency CHIRP Seismic Profiler, Benthos dual frequency CHIRP Side Scan Sonar, Marine Magnetometer, Ping DSP Multibeam Side scan sonar, Elac Multibeam Echosounder, Benthos C3D, Multibeam cum Side Scan Sonar, ODOM Dual frequency Echo sounders, DGPS, RTKs, underwater positioning systems, ROVs, RDI ADCP Current meters, Aanderaa RCM 9 Current meters, Datawell Directional wave rider buoys, Aanderaa Tide recorders, YSI Water Quality Data loggers, Licensed softwares on MIKE 21 flow models, HYPACK/CODA data processing softwares etc.

The most vital reasons for Indomer to clinch the projects are: it is the only organization with more number of subject experts with Ph.D. qualification having scientific track records and plentiful in-house infrastructure. The credentials of Indomer in Indian market are phrased as: European Quality, Chinese Price & Indian Talent.

Indomer plays a vital role in assisting the client for getting the clearances from both State EAC and MoEFCC for the developments along the coastline. Indomer has carried out oceanographic investigations for construction of jetty, seawater intake and outfall for more than 90% of the coal based Thermal power plants and Desalination Plants coming up in India. It has also carried out the most prestigious World Bank project on Coastal Zone Management for Odisha State.

- Some of the FLAGSHIP PROJECTS standing as monumental evidences of Indomer's contributions for the nation building are: World Bank Project on Integrated Coastal Zone Management in Odisha, Obtained CRZ clearances for many Captive Transmission lines at MoEFCC, Significant MoEFCC Strategic committee projects of SHAR, Indian Coast Guard etc., Identifying the suitable regions against coastal inundation & tidal ingress for setting up of Solar Power Park, Dholera Special Investment Region, Oceanographic studies at multiple blocks of Gulf of Mannar for Offshore Windfarms, Marine EIA studies for VK-PCPIR between Visakhapatnam and Kakinada, Hud-Hud cyclone damages at Visakhapatnam port, Impact of Phailin cyclone at Gopalpur, Desalination plant for Chennai Metro water at Minjur and Nemmeli, Sethusamudram Ship Channel for Govt. of India, Tsunami Devastation surveys for Tamil Nadu and Andaman Islands, Monitoring of Chilika Lake and Pulicat Lake, Seawater Intake/Outfall for Nuclear Power Plants at Kalpakkam and Kudankulam, Environmental Monitoring studies for Ministry of Earth Science and Post Construction Monitoring for Naval Harbour PROJECT SEABIRD.

"Has excellent technical capabilities and best scientific approach"

- ESSAR, Surat.

- Highly qualified multi disciplinary experts.
- Latest equipments in multiple numbers.
- European Quality - Chinese price - Indian Talent.
- Reliable, talented & flexible approach.
- Equipped to handle larger projects.
- Ability to handle multiple projects at a time.
- Scientific solution to clients' requirement.
- Performance skill.

DESALINATION PLANT

ARE YOU LOOKING FOR SETTING UP DESALINATION PLANT (1 MLD TO 500 MLD)

WE OFFER TOTAL CONSULTANCY ON MARINE ASPECTS

- ❖ Seabed surveys on Bathymetry, Seismic & Sidescan Currents, Tides, Waves Measurements
- ❖ Location of intake and outfall
- ❖ Dispersion study on brine discharge
- ❖ Design of pipelines, intakes and outfalls
- ❖ EIA study
- ❖ CRZ mapping
- ❖ Clearances from State and MoEFCC

COASTAL ENGINEERING

- ❖ Wind Measurements
- ❖ Wave Measurements
- ❖ Current Measurement
- ❖ Tide Measurements
- ❖ LEO observations
- ❖ Salinity/Temperature Measurements

SEABED ENGINEERING

- ❖ Single Beam Bathymetry Surveys
- ❖ Multibeam Bathymetry Surveys
- ❖ Shallow Seismic Surveys
- ❖ Side Scan Sonar Surveys
- ❖ Underwater Inspection
- ❖ Bore holes
- ❖ Underwater Inspection

TOPOGRAPHICAL SURVEYS

- ❖ Terrain Surveys
- ❖ Topographical Surveys
- ❖ Pipeline Routing Surveys
- ❖ River Terrain Surveys
- ❖ Alignment for Construction of Breakwaters
- ❖ Dredge fill & Land Reclamation
- ❖ Beach Profiles

BIOLOGICAL OCEANOGRAPHY

- ❖ Chlorophyll & Primary Productivity
- ❖ Phytoplankton, Biomass and Species Diversity
- ❖ Zooplankton, Biomass and Species Diversity
- ❖ Sub Tidal and Inter Tidal Benthic Population
- ❖ Microbial Population
- ❖ Bio assay Mangroves, Mud Flats, Corals, Turtles
Endangered Marine Animals and Fisheries

CHEMICAL OCEANOGRAPHY

- ❖ Water quality (Temperature, pH, Salinity, DO, BOD, COD, Turbidity, Ammonia, Nitrite, Nitrate, Total Nitrogen, Inorganic phosphate, Total phosphorus, Alkalinity, Conductivity, TDS, TSS, Hardness, Reactive silicates, Silicates, Phenolic Compounds, Petroleum Hydrocarbons, Potassium, Calcium, Chloride, Sulphate, Magnesium, Sodium, Zinc, Iron, Copper, Arsenic, Cadmium, Chromium, Lead and Mercury).
- ❖ Sediment quality (Texture, Total phosphorous, Total nitrogen, Total organic carbon, Calcium carbonate, phenolic compounds, cadmium, chromium, lead and mercury).

ENVIRONMENTAL IMPACT ASSESSMENT

- ❖ Collection on primary and secondary data
- ❖ Preparation of Marine EIA and EMP
- ❖ Risk assessment
- ❖ Hazardous waste management
- ❖ Presentation of reports to State EAC and MoEFCC for obtaining Statutory Clearances
- ❖ Assisting clients in implementing the recommendation of the State EAC and MoEFCC
- ❖ Post-project monitoring
- ❖ Sustainable development
- ❖ Preservation of ecology

MATHEMATICAL MODELLING

- ❖ Tides & Current circulation
- ❖ Advection Diffusion
- ❖ Wave generation and propagation
- ❖ Wave tranquility
- ❖ Sediment transport
- ❖ Littoral drift
- ❖ Shoreline changes
- ❖ Storm surge
- ❖ Dredge disposal
- ❖ Harbour siltation
- ❖ Oil spill analysis
- ❖ Mooring Analysis
- ❖ Fast ship Simulation

PHYSICAL MODELLING

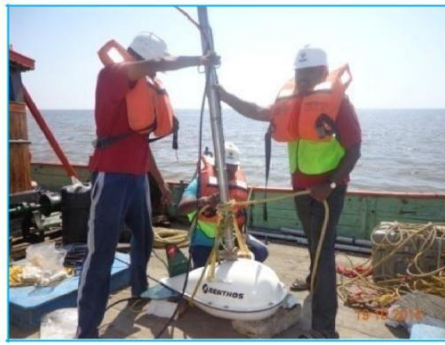

- ❖ 2D – Wave flume
- ❖ 3D – Wave Basin

"The report is quite extensive and will help us in preparing the Detailed Project Report on the basis of information contained in the feasibility report."

INTERACTION WITH ACADEMIC & RESEARCH INSTITUTES

Indomer has close association with many R & D laboratories like CSIR - NIO, ESSO - NIOT, MoEF&CC – NCSCM and ICZM Odisha. Also it has interaction with Berhampur University, NIT Surathkal, Anna University, Annamalai University, Cochin University, Hindustan University and Andhra University. Indomer is collaborating with various Research projects with these R & D institutions. The students from different Universities are taking up M.Sc / M.Phil / M.Tech and Ph.D programmes at Indomer. Enormous in house data on Bathymetry, Currents, Tides and Waves for various segments of Indian coast are being provided free of cost for research purpose.

17. Depth measurement at Magarmukh, Odisha, Indian Institute of Technology, Chennai.
18. Post dredging survey at Amba creek in Maharashtra, ABAN constructions, Chennai.
19. Wave Hindcasting off Tuticorin for Tuticorin outer harbour development, Consulting Engineering Services (India), Ltd., New Delhi.
20. Wave hindcasting and design waves for the development of Krishnapatnam port, Electric Power Development Co. Ltd. Japan, New Delhi.
21. Current studies along the dredged channel at Chilika Lake, Chilika Development Authority, Govt. of Odisha.

April 1999 – March 2000

22. Oceanographic studies of seawater intake and marine outfall, Tractebel Energy South Asia (P) Ltd., Bangalore.
23. Measurement of hydrodynamic characteristics for Ennore estuary, coastal waters and related services, ICMAM, Chennai.
24. High tide line along IGL project site at Manappad coast, Indian Gas Limited (IGL), Chennai.
25. Marine Rapid Environmental Impact Assessment (MEIA) study for the effluent discharge into the sea at Tannirbavi, Mangalore Chemical & Fertilizers, Mangalore.
26. Current and bathymetric study for Marine EIA study off Cochin Refinery Limited, Kochi, Coastal Engineering Consultants, Kochi.
27. Rapid Marine Environmental Impact Assessment for the proposed Terminal facilities and multi-fuel jetty at Trombay for Tata Electric Companies Ltd., Tata AIG Risk Management Services Ltd., Mumbai.
28. Measurement of hydrodynamic characteristics for coastal waters off Mangalore, Visakhapatnam and Goa, National Institute of Ocean Technology, Chennai.
29. Hydrodynamic study at Pichavaram tidal inlet, M. S. Swaminathan Research Foundation, Chennai.
30. Oceanographic study of seawater intake and diffuser system, Tanir Bavi Power Company Pvt. Ltd., Bangalore.
31. Tide measurements at Satpada and Magarmukh, Chilika Lake, NIO, Goa.

32. Bathymetric survey at dredging site at Magarmukh, Chilika Lake, Tebma Marine (P) Ltd., Chennai.
33. Chemical analysis of seawater samples off Mangalore coast, Elcome Surveys (P) Ltd., Navi Mumbai.
34. Preliminary estimation for coastal hydrodynamics off PPN site, KIER International Limited, Chennai.
35. Protection for undertaken cables in surfzone, Ellath Enterprises, Goa.
36. Siltation in the dredged channel of Gurupur River, Tanir Bavi Power Company Pvt. Ltd., Bangalore.
37. Bathymetric survey at Astarang River, Odisha, Indian Institute of Ocean Technology, Chennai.
38. Wave and wind measurements at PPN Power Plant, Nagapattinam, KIER International Ltd., U.K.

April 2000 – March 2001

39. Current measurements at Krishna Estuary, M.S. Swaminathan Research Foundation, Chennai.
40. Feasibility study for construction of jetty at Terekol, Mormugao Maritime Limited, Goa.
41. Seabed study at Gurupur River, Tanir Bavi Power Company Pvt. Ltd., Bangalore.
42. Nearshore bathymetric survey off Gopalpur for BPCL, National Institute of Ocean Technology, Chennai.
43. Bathymetric survey at Pichavaram creek, ICMAM, Chennai.
44. Modelling study on sediment deposition along PPN-KIER pipeline corridor, KIER International Ltd., U.K.
45. Oceanographic study at Kalpakkam for a Nuclear Desalination Demonstration Project at Kalpakkam, Chennai, Bhabha Atomic Research Centre, Government of India, Mumbai.
46. Auditing of QA/QC of oceanographical data off Hazira for shell Global Solution Int B.V., Ernst & Young Pvt.Ltd., Mumbai
47. Bathymetric survey and oceanographic investigations at Flat Bay, Port Blair, Andaman, Water and Power Consultancy Services (I) Ltd., New Delhi.
48. Bathymetric survey off Cuddalore for a Chemical Container Terminal, L&T-Ramboll Consulting Engineers Ltd., Chennai.
49. Tide surveys for Okha, Elcome Surveys Pvt. Ltd., Navi Mumbai.
50. Collection and analysis for seawater samples in dredging area for PROJECT SEABIRD at Karwar, Ballast Nedam Dredging, the Netherlands.

April 2001 – March 2002

51. Consultancy and design for seawater intake at Sui creek for Chowgule Industries Limited, Jamnagar, Gujarat.
52. Harmonic analysis of tides off Hazira, Fugro Geonics Pvt.Ltd., Mumbai.
53. Current measurement at dredging area for PROJECT SEABIRD at Karwar, Ballast Nedam Dredging, Karwar.
54. Current measurement at Kerala Rivers, Geo Foundations & Structures Pvt. Ltd., Cochin.
55. Harmonic analysis of tides at ONGC Bombay High, Elcome Surveys Pvt. Ltd., Navi Mumbai.
56. Engineering Design and Consultancy for laying submarine effluent pipeline off Mangalore, MCF, Mangalore.
57. Oceanographic and seabed surveys for Gangavaram Port, L&T-Ramboll Chennai.
58. Currents and bathymetry surveys off Ennore Port, ICMAM, Department of Ocean Development, Chennai.
59. Seabed investigations for submarine pipeline of Nuclear Power Corporation at Kudankulam, Tata Projects Ltd., Mumbai.
60. Annual Maintenance contract for the submarine effluent pipeline off Mangalore, Mangalore Chemicals and Fertilizers Ltd., Mangalore.
61. Fabrication and supply of 18 self recording tide gauges, National Institute of oceanography, Goa.
62. Marine Environmental Impact Assessment study off Mudwah Point in Gulf of Kuchchh for the development of jetty, seawater intake and marine outfall, COMACOE, Mumbai.

“Work has been in the first class and the reports demonstrate great experience and competence”

- KIER International,

63. Engineering and Design of seawater intake and marine outfall pipelines for Nuclear Power Corporation at Kudankulam, Tata Projects Limited, Mumbai.
64. Marine Environmental Study for effluent disposal at Chippada, Divi's Laboratories Ltd., Hyderabad.

April 2002 – March 2003

65. Construction and Installation and commissioning of seawater intake and marine outfall pipelines for Nuclear Power Corporation at Kudankulam, Tata projects Limited, Mumbai.
66. Marine Environmental Impact Assessment study for seawater intake and marine outfall at Kudankulam, Tata Projects Limited, Mumbai.
67. Prefeasibility study for transporting effluent from plant to sea at Srikakulam, Nagarjuna Agrichem Limited, Hyderabad.
68. Tide measurements at Mandovi and Zuari estuarine, National Institute of Oceanography, Goa.
69. Littoral current measurements at Ennore, Anna University, Chennai.
70. Satellite imagery studies on Chlorophyll and turbidity off Karwar over the Project Seabird region, Ballast Nedam Dredging, Karwar.
71. Satellite imagery studies on beach stability at Karwar over the Project Seabird region, Ballast Nedam Dredging, Karwar.
72. Current measurements at Andaman Island, Indian Institute of Technology, Chennai.
73. Mathematical Modelling of wave trabs formation and mindcasting of waves for HPCL SPM and submarine pipeline off Mundra, Gulf of Kuchchh, Elcome Marine Surveys, Navi Mumbai.
74. Bathymetric study at Krishnapatnam Port, Krishnapatnam Port Company Ltd., Hyderabad.
75. Dissussion on high tide lines in Manadwa near Ailibaug in Maharashtra, Samrat Shipping company Pvt. Ltd., Mumbai.
76. Marine Environmental Impact Assessment studies for SPM off Kochin for KRL, Vimta Labs Ltd., Chennai
77. Oceanographic investigations for seawater intake pipeline for Chemfab, Pondicherry, L&T Ltd., Chennai.
78. Rapid Marine Environmental Impact Assessment for warm water outfall of Tata Power Plant, Trombay, The Tata Power Company Limited, Mumbai.
79. Current and tide Measurement at Dahej, Ballast Nedam International, Dahej.

April 2003 – March 2004

80. Oceanographic studies for the stability of New Mouth at Chilika Lake, CDA, Govt. of Odisha, Bhubaneswar.
81. Construction of underwater concrete reef off Tuticorin in Bay of Bengal, MSSRF, Chennai.
82. Positioning of borehole locations by DGPS at Kudankulam, DBM Geotechnics & Constructions Pvt. Ltd. Mumbai.
83. Bathymetry study at Port Redi, Sociedade De Fomento Industrial Pvt. Ltd., Goa.
84. Marine spread for Archeological surveys off Mahabalipuram, National Institute of Oceanography, Goa.
85. Bathymetry, seafloor investigations, engineering and design for phase II seawater intake and marine outfall pipelines off Kudankulam for Nuclear Power Corporation at Kudankulam, Pioneer Polyfeb Ltd., Mumbai.
86. Bathymetry and Topographic surveys at Yarada, L&T Ramboll Consulting Engineering Ltd. Chennai.
87. Measurement of water depth at borehole locations off Mundra Port, DBM Geotechnics & Constructions Pvt. Ltd. Mumbai.
88. Bathymetry survey at Mondovi River near Sonar Baug, Infrastructure Logistics Pvt. Ltd., Goa.
89. Wave measurement at Dahej, Ballast Nedam International, Dahej.
90. Bathymetry survey at Krishnapatnam Port Dredging International India (P) Ltd., New Delhi.
91. Design of deep water wharf at Campbell bay, Great Nicobar Island, A.Manickam and sons, Port Blair.
92. Bathymetry survey between Kasimedu and Ernavoor at Chennai, RDS Projects Limited, Chennai.

93. Environmental data generation for Rapid EIA study for development of Captive Marine Terminal Facility near Krishnapatnam Port, L&T Ramboll Consulting Engineers Limited, Hyderabad.
94. Modelling on wave hindcasting, extreme wave prediction and wave transformation along the submarine oil pipeline corridor between Mumbai high and Uran, Oil and Natural Gas Corporation Ltd., Mumbai.
95. Satellite imagery studies on Chlorophyll and turbidity off Karwar - Phase II over the Project Seabird region, Ballast Nedam Dredging, Karwar.
96. Satellite imagery studies on Chlorophyll and turbidity off Karwar-Phase II over the Project Seabird region, Ballast Nedam Dredging Karwar.
97. Survey of existing seawall cross section along Ennore Express Way, RDS Project, Chennai.
98. Construction phase survey for Groynes at Ennore, RDS Project Ltd., Chennai.
99. Bathymetric survey off Minjur, IMC Ltd., Chennai.

April 2004 – March 2005

100. Measurement of waves and currents for seawater intake at Visakhapatnam Port, L&T Ramboll Consulting Engineering Ltd., Chennai.
101. Hydrographic studies at Ennore, National Thermal Power Corporation Ltd., Secunderabad.
102. Bathymetry survey at Pondicherry Port, Ilham-Asia Marine & Port Engineering Co. Pvt. Ltd., Mumbai.
103. Seabed and oceanographic surveys for CSL, Karaikal, L&T-Ramboll Consulting Engineers Ltd., Chennai.
104. Oceanographic investigations at Gangavaram, Gangavaram Port Limited, Hyderabad.
105. Surveys on design wave, wind and currents at ONGC-KG Basin in Bay of Bengal, Elcome Surveys Private Limited, Navi Mumbai.
106. Hydrodynamic surveys for seawater intake at Tamiraparni Inlet, Tuticorin, The Tata Iron and Steel Company Limited, Chennai.
107. Water quality analysis at Ennore, L&T Ramboll, Chennai.
108. Studies on Bathymetry, seabed characteristics and water quality at Kulasekarapatnam, Tata Projects Limited, Mumbai.
109. Marine Environmental Impact assessment surveys at Kulasekarapatnam, Tata Projects Limited, Mumbai.
110. Pre dredging and maintenance dredging surveys at Krishnapatnam Port, Krishnapatnam Port Company Ltd., Hyderabad.
111. Modelling of reject outfall at Karaikal, Chemplast, Hydrotech, Mumbai.
112. Seabed and Oceanographic surveys for Kali River, Karwar, MSPL Ltd., Mumbai.
113. Hydrographic survey for seawall at INS Dronacharya, Fort Kochi, Geo Foundations & Structures Private Limited, Cochin.
114. Design of Machilipatnam Port, NSDR, Visakhapatnam.
115. Mathematical model studies for the Sethusamudram Ship Canal Project, Tuticorin Port Trust, Tuticorin.
116. Topographic & Hydrographic surveys for Malthon right bank Thermal Power Station, WAPCOS, Gurgaon.
117. Post Tsunami seabed surveys for CSL, Chemplast Sanmar Limited, Chennai.
118. Bathymetry survey at Kakinada, NSDR, Vizag.
119. Current and temperature measurements at PY-1 Field, Cauvery Basin, Hindustan Oil Exploration Company Limited, Baroda.
120. Post Tsunami tide measurements at Andaman, WAPCOS, Gurgaon.
121. Post Tsunami bathymetry survey at 10 fishing harbours in Tamilnadu. (Govt. of Tamil Nadu).

April 2005 – March 2006

122. Hydrographic survey for Seawall at INS Dronacharya, Fort Kochi, Geometry Construction Company, Kochi.
123. Bathymetry survey for Qatar Aluminium Plant, Qatar.
124. Bathymetry survey of Ennore Port Basin, Ennore Port Limited, Ennore.

"Indomer team was personally lead by their MD Dr. P. Chandramohan and a team of Scientists and Technicians with specialized instruments. We found them to be very conversant with onboard survey techniques and were impressed with their planning and resources deployed for the work"

- Tamil Nadu Water Investment Company Limited, Chennai.

697. EIA study for the extension of breakwaters at Periyathalai, Fisheries Department, Thoothukudi.
698. Environmental Impact Assessment study for repairs and reconstruction of existing shore protection seawall for the Arulmigu Subramaniya swamy temple, Thiruchendur, Tamil Nadu, Hindu Religious and Charitable Endowments department, Chennai.
699. Multibeam bathymetry survey, side scan sonar, sub bottom profiler survey, Marine magnetometer survey & topographic survey at Gopalpur ports, Gopalpur Ports Limited, Odisha.
700. Benchmark survey and connecting with JNPT Township field survey elevations, Indian Institution of Technology Madras, Chennai.
701. Multibeam bathymetry survey at Angre Port, Angre Port Private Limited, Ratnagiri.
702. Current & Wave measurements, CRZ study, Marine EIA and Marine Modelling study for the development of Marine facilities at Padur, Karnataka for ISPRL, Comacoe, Mumbai.
703. EIA study for construction of submerged dyke at Bommaiypalayam, Villupuram District, Fisheries Department, Cuddalore.

PROJECTS UNDERTAKEN (1998 – 2026)

704. Site Inspection for the proposed 200 MLD desalination Plant at Mumbai, IDE Technologies India, Noida.
705. Preparation of EIA report for laying offshore pipeline for disposal of effluent into deep sea from Industrial area of Jetpur, Gujarat Water Infrastructure Limited Gandhinagar.
706. Carrying out bathymetry survey along 2 Km stretch, Baseline data collection on Marine & Terrestrial Environment and preparation of EIA report for Aruvalmooku, Cuddalore District, Public Works Department, Bhuvanagiri.
707. Preparation of Environment and Techno Economic Feasibility report for dredging Pamban Channel, Tamil Nadu Maritime Board, Chennai.
708. Conducting Rapid Marine Environmental Impact Assessment studies for desalination plant and marine outfall for treated wastewater and desalination brine reject, Aurobindo Pharma Pvt Ltd., Hyderabad
709. EIA Study for Construction of groynes at Kovalam & Azhikal in Kanyakumari, PWD, Nagercoil.
710. EIA Study for Construction of groynes at Melmidalam & Enayam in Kanyakumari, PWD, Nagercoil.
711. EIA Study for Construction of groynes at Periyanyaki in Kanyakumari, PWD, Nagercoil.
712. Bathymetry survey, Shallow seismic survey, current measurements for the development of fishing harbour cum cargo port at Biyyaputhippa Andhra Pradesh, Voyants solutions Private Limited, Hyderabad.
713. Numerical Modelling Studies for the development of fishing harbour cum cargo port at Biyyaputhippa Andhra Pradesh, Voyants solutions Private Limited, Hyderabad.
714. Mathematical modelling for holistic development of Great Nicobar Island in Andaman & Nicobar Islands, AECOM, Gurugram.
715. Sediment Transportation modelling study at Dahej, IITM, Chennai.
716. Periodic Monitoring report of Marine Environment for GMEPL Outfall, Chorwad, Gujarat, Gadre marine Export Private Limited, Gujarat.
717. Bathymetry Survey at Kandla Port for Kandla Oil Terminal Private limited, Kandla Oil Terminal Private Limited, Chennai.
718. Bathymetry, Seismic & Side scan survey for the development of greenfield port at Ramayapatnam, Andhra Pradesh, Aurobindo Realty Infrastructure Private Limited, Hyderabad.
719. EIA studies for the development of New Port at Bhavnagar, Gujarat, Bhavnagar Port Infrastructure Pvt. Ltd., Ahmedabad.
720. Periodic Environmental Monitoring study at Ennore coal Terminal & berth, Ennore Coal Terminal Private Limited, Thiruvallur District.
721. Modelling studies for Intake & outfall system using MIKE21 and CORMIX modelling for 150 MLD Desalination plant at Nemeli, Chennai, Cobra Tecton Private Limited, Chennai.
722. Super imposition of HTL, LTL maps on proposed construction of hotel at Thiruchendur, Thoothukudi, Hotel Ideal Paradise.
- April 2021 – March 2022**
723. Environmental Monitoring for capital dredging at Pondicherry Port, KSR Marine Service Private Limited, Visakhapatnam.
724. Conducting EIA studies & obtaining CRZ/ EC for sea Port terminal at Shadeed Dweep (Neil Island) in Andaman & Nicobar Island, Andaman and Lakshadweep Harbour Works, Port Blair.
725. Seabed Investigations, Geophysical survey, Topography survey, Mathematical Modelling studies, Environmental Impact Assessment Studies, Conceptual design of seawater intake and outfall and CRZ study for setting up of 400 MDL desalination plant near Manori, Mumbai, IDE Technologies, Israel.
726. Design and Engineering for laying of Subsea Pipeline with diffuser at Kesanapalli (W) for disposal of treated water for ONGC at Rajahmundry Asset, Andhra Pradesh, Hydrotech Systems Pvt. Ltd., Mumbai
727. Bathymetry surveys, Oceanographic Measurements, EIA studies and CRZ Clearances for setting up of 2 MLD Desalination Plat at Andhra Pradesh, Dr. Reddy Laboratories Ltd., Andhra Pradesh.
728. Bathymetry, shallow seismic, side scan, Marine Magnetometer survey, Current, Waves and Tide Measurements, CRZ mapping, Modelling studies and obtaining Statutory clearances for setting up of Oil and Chemical complex, Cuddalore, Tamil Nadu, Haldia Petrochemical Limited, Kolkata.
729. Consultancy charges for providing list of all Environmental permit and licenses for the project for Villupuram 60 MLD SWRO Plant, Suez Indian Private Limited, Gurgaon.
730. Topographic, Bathymetry and Seismic surveys and collection of tide & current data for development of UTHURA Thilafalhu (UTF) Harbour in Maldives, Rites Limited, Gurgaon.
731. Consultancy Services on the assessment of failure of breakwater at Jafarabad, Gujarat, Mantovani Di Dharti Pvt Ltd., Hyderabad.
732. Consultancy services for obtaining Environmental approvals for marine side developments of Synthetic organic chemicals, Industrial park, East Godavari District, Andhra Pradesh, Kakinada SEZ Limited, Hyderabad.
733. Obtaining CRZ Clearance for the construction of married accommodation at CGRA, Tuticorin, Indian Institute of Technology Madras, Chennai.
734. Multibeam Bathymetry survey at Angre Port, Angre Port Pvt. Ltd., Maharashtra.
735. Bathymetry, EIA, Dispersion Modelling study, Location of seawater intakes Outfall and conceptual design for setting up of effluent discharges & desalination plant at Chittivalasa, Pydibhimavaram, Srikakulam District, Andhra Pradesh, Lantech Pharmaceuticals Limited, Hyderabad.
736. Marine and Terrestrial EIA study and consultancy services for Kakinada SEZ Port, East Godavari District, Andhra Pradesh, Kakinada Gateway Port Limited, Kakinada.
737. EIA, Bathymetry, Topography, Oceanographic measurements and CRZ study for getting EC and CRZ Clearance for development of proposed Jetty Terminal at Kori Creek, Lakhpat, Kutch, Gujarat, Shree Cement Ltd, Kachchh, Gujarat,
738. Bathymetry survey and evaluation of damaged breakwater section at Veraval Fishing Harbour, Gujarat, Indian Institute of Technology Madras, Chennai.
739. Extension of EIA study for obtaining EC Clearance for the Raigad cement grinding plant and Fly ash/ slag processing unit, Adani Cementation Limited, Ahmedabad
740. Marine Impact Assessment study Report at 37 creeks for Propane Pipeline from BPCL, URAN to GAIL Petrochemical Complex USAR, Maharashtra, GAIL (India), Limited, Uttar Pradesh.
741. Hydrodynamic and Dredge disposal modelling for the Jetty at Ultratech Cement, Amreli, Gujarat, Indian Institute of Technology Madras, Chennai.
742. Sidescan Sonar Survey around the damaged breakwater at Veraval, Gujarat, Indian Institute of Technology Madras, Chennai.
743. Modelling study on siltation at approach channel in Gogha, Gujarat, Indian Institute of Technology Madras, Chennai
744. Bathymetry, Current & Tide measurements sidescan survey, analysis of seawater quality and brine dispersion modelling studies for TWAD at Naraipaiyur, Ramanathapuram District, Tamil Nadu, MECON Ltd, Bangalore.
745. Marine Environmental Impact Assessment Study for laying marine disposal pipeline for Hetero Infrastructure SEZ Ltd., Nakkapalli Mandal, Visakhapatnam District, Andhra Pradesh, Hetero Infrastructure SEZ Ltd, Hyderabad.
746. Bathymetry survey for Kakinada Gateway Port Ltd, Kakinada Gateway Port Limited, Kakinada.
747. Consultancy services of design parameters for 400 MLD SWRO Plant at Perur, Suez Indian Private Limited, Gurgaon.
748. Gathering data on coastal environment along Tamil Nadu coast and preparation of feasibility report to setup windmill along Tamil Nadu coast, WPI India Development Private Limited, Chennai.
749. Environmental Impact Assessment report for the proposed outfall pipeline for 60 MLD Common Effluent Treatment Plant (CETP) for Dholera Special Investment Region (DSIR).
750. Monitoring of pipeline trenching work at ONGC, Kesanapalli, Andhra Pradesh, Hydrotech Systems Pvt. Ltd., Mumbai.
751. Hydrodynamic and dredge disposal modelling study for the proposed development of Veraval Fishing Harbour, Gujarat, Indian Institute of Technology Madras, Chennai.
752. Preparation of Six Monthly Environmental Audit Report for Gadre Marine Export Private Limited, Chorwad, Gujarat, Gadre Marine Export Private Limited, Chorwad, Gujarat.
753. Additional Water Sampling study at Manori for setting up of 400 MLD Desalination Plant, IDE Technologies, Israel.
754. Mathematical modelling studies on Wave Tranquility and berth alignment for barge jetties at Jafrawadi and Veera, Gujarat.
755. Nearshore study along the coast of Tamil Nadu for setting up of offshore windmill facilities, WPI India development private Ltd. (Vestas), Chennai.

PROJECTS UNDERTAKEN (1998 – 2026)

756. Bathymetry survey at Nemeli for 150 MLD Desalination Plan, Tamil Nadu, Meka Infrastructure Private Limited, Mumbai.
757. Environmental Monitoring studies for setting up of 4 MLD Desalination plant at Pearl distillery Ltd, Pearl Distillery Ltd., Singarayakonda.
758. Seabed Investigations and Bathymetry survey for laying effluent pipeline at Dhonipeta village, Srikakulam District, Andhra Pradesh, Trident Chemphar Limited, Vizag (Shreas Industries Limited).
759. Assistance in making presentation to Tamil Nadu Coastal Zone Management Authority for the construction of Married accommodation at CGRA, Tuticorin for Indian Coast Guard, Indian Institute of Technology Madras, Chennai.
- April 2022 – March 2023**
760. Bathymetry Survey at Ennore Minor Port for Coromandel International Limited, Chennai.
761. Assistance with preparation of Form 1 and required documentation for CRZ application at CZMA, Maharashtra, IITM, Chennai.
762. Dredge disposal modelling study at Madhwad, Indian Institute of Technology Madras, Chennai.
763. Marine Modelling Studies for Jetty Upgradation at AMNSI, Hazira, Gujarat.
764. Techno Economic feasibility report for establishment of Fishing Harbour at Pulicat in Thiruvallur District for Fisheries Department, Government of Tamil Nadu
765. Techno Economic feasibility report for establishment of fishing Harbour at Rameswaram in Ramanathapuram District for Fisheries Department, Government of Tamil Nadu.
766. Seabed Survey, Oceanographic measurements and Mathematical Modelling Studies on Capacity Enhancement of Sewagram Jetty for Ultratech Cement Limited, Sewagram.
767. Rapid Environmental Impact Assessment Study for Development of Jetty and Ship Repair Facility for Indian Coast Guard, at Ratnagiri, Maharashtra.
768. Environmental Impact Assessment study for construction of fish landing centre and Shore protection works at Kaddalore Chinnakuppam in Chengalpattu district Tamil Nadu.
769. Environmental Impact Assessment study for construction of fish landing centre and Shore protection works at Kaddalore Periyakuppam in Chengalpattu district Tamil Nadu.
770. Environmental Impact Assessment study for construction of fish landing centre and Shore protection works Allikuppam in Chengalpattu district Tamil Nadu.
771. Consultancy services for conducting detailed survey, mapping, mapping of existing infrastructures, Investigations and model studies for preparing Techno Economic Feasibility report and Detailed Project Report for construction of Fishing Harbour at Vaniyakudi, Kanniyakumari District, Fisheries Department, Chennai.
772. Preparation of EIA report for the development of ship repair facility at ICGS, Ratnagiri, Indian Institute of Technology Madras, Chennai.
773. Hydrodynamic modelling and dredge disposal modelling study for Mangrol Fishing Harbour, Gujarat, Knowledge Marine & Engineering Works Limited, Mumbai.
774. Marine EIA and modelling studies for opening of sea mouth of Pulicat Lake at Rayadoruvu village, Vadaku Mandal, SPSR Nellore District, Andhra Pradesh, Andhra Pradesh Urban Infrastructure Asset Management Limited, Vijayawada.
775. Environmental Impact Assessment study for construction of fish landing centre and Shore protection works at Angalamman Kuppam in Chengalpattu district Tamil Nadu.
776. Environmental Impact Assessment study for construction of fish landing centre and Shore protection works at Pudhu Nadukuppam in Chengalpattu district Tamil Nadu.
777. Environmental Impact Assessment study for construction of fish landing centre and Shore protection works at Pazhaya Nadukuppam in Chengalpattu district, Tamil Nadu.
778. Environmental Impact Assessment Study for Construction of Fish Landing and Groynes Centre at Ekkiyakuppam and Anumandhai in Villupuram District, Tamil Nadu.
779. Environmental Impact Assessment Study for Construction of Fish Landing Centre and Shore Protection Works at Pillaichavadi in Villupuram District, Tamil Nadu.
780. Environmental Impact Assessment Study for Construction of Fish Landing Centre and Shore Protection Works at Periyakuppam in Cuddalore District, Tamil Nadu.
781. Environmental Impact Assessment Study for Construction of Fish Landing Centre and Permanent Stability at Pudukkuppam in Cuddalore District.
782. Environmental Impact Assessment Study for Construction of Fish Landing Centre and permanent stability of Bar mouth at Killai in Cuddalore District, Tamil Nadu.
783. Side scan survey at Vizag, Norinco Private Limited, Chennai.
784. Shoreline Monitoring survey at Karaikal Port, Karaikal Port Pvt. Ltd., Karaikal.
785. Preparation of Risk assessment and disaster Management report for the development of ship repair facility at ICGS, Ratnagiri, Mumbai.
786. Dredge disposal modelling studies at Pipava, Indian Institute of Technology Madras, Chennai.
787. Vetting of diffuser design of 150 MLD desalination plant at Nemmeli, Cobra Tecton Private Limited, Chennai.
788. Techno economic feasibility report for establishment of Fishing Harbour at Vaniyakudi in Kanyakumari District for Fisheries Department, Government of Tamil Nadu
789. EIA studies and Mathematical modelling studies for obtaining statutory clearance for APCZMA and MoEFCC for nner harbour development at Gangavaram Port Limited, Gangavaram Port Limited, Visakhapatnam.
790. Pre-dredging bathymetric survey for Intake & Outfall pipeline trenching for 150 MLD desalination plant at Nemmeli, Tamil Nadu, Meka Infrastructure, Chennai..
791. EIA Study for CRZ Clearance for the Discharge of Treated Effluent from Gadre Marine Export Pvt. Ltd., Surimi (Fish Paste) Plant, Fish Meal, Effluent Treatment Plant at Tundara Village, Balasore District, Odisha.
792. Mathematical Modelling Studies for International Container Transshipment Terminal at Galathea Bay in Great Nicobar Island, AECOM India Private Limited, Gurgaon.
793. 3-D Multibeam Bathymetry survey around SPM and Port Limit at Thirukkadayur Port in Tamil Nadu, India, PPN Power Generating Company Private Limited, Thirukadayur.
794. EIA Study for CRZ Regularization of Desalination Plant of Hetero Infrastructure SEZ LTD., N. Narasapuram (Village), Nakkapalli Mandal, Visakhapatnam District, Andhra Pradesh, Heero Infrastructure SEZ Limited, Visakhapatnam..
795. EIA & EMP Report for the Development of Desalination Plants of 2 MGD SWRO at NDDP & 2 MLD MED at MAPS, DAE Complex, Kalpakkam, BARC, Kalpakkam.
796. DPR for the Lighterage Operation at Captive Port in Parangipettai, IL&FS Tamil Nadu Power Company Limited, Chennai.
797. CRZ and Wildlife clearance for upcoming GSPL Pipeline (Jamnagar - Dwarka pipeline & Anjal - Palanpur pipeline), Engineers India Limited, Gurugao.
798. EIA and EMP studies and obtaining CRZ Clearance for dredging Pamban Navigational channel in Tamil Nadu, Tamil Nadu Maritime Board, Chennai.
799. Revision of CRZ mapping – Coastal Regulation Zone study as per 2019 Notification, Grasim Industries Limited, Ganjam.
800. Assistance in filling up of application in Parivesh MoEF&CC Portal regarding construction of groynes at Kovalam, SRM Construction, Erode.
801. EIA Study for CRZ Regularization of Desalination Plant of Hetero Infrastructure SEZ LTD., N. Narasapuram (Village), Nakkapalli Mandal, Visakhapatnam District, Andhra Pradesh, Hetero Infrastructure SEZ Ltd., Hyderabad.
802. Conducting Multibeam bathymetry survey at existing channel and inner basin & turning circle at Angre port, Jaigad village, Maharashtra, Angre Port Private Limited, Mumbai.
803. Environmental Impact Assessment Study for Setting up 2 MLD Desalination Plant For Mylan Laboratories Limited, Unit-Viii, G. Chodavaram (V), Pusapatirega (M), Vizianagaram District, Andhra Pradesh.
804. Mathematical Modelling Studies on Flow Dynamics and Siltation near UTCL Jetty at Magdalla, Gujarat, Ultratech Cement Limited, Mumbai.
805. Marine Environmental Impact Assessment Study for the Proposed Replacement of Treated Effluent Outfall Pipelines for GHCL at Sutrapada, Gir Somnath District, Gujarat Tidal simulation study for Dahej Port, GHCL Limited, Ahmedabad.
806. Tidal simulation study for Dahej Port, Adani Petronet (Dahej) Port Ltd., Dahej
807. Six Monthly Compliance Report & Periodic Monitoring Report for setting up of 100 MLD Desalination plant of KSDPL for GWIL at Gundiya village, Mandvi Taluka, Kachchh district, Gujarat.

PROJECTS UNDERTAKEN (1998 – 2026)

808. Six Monthly Compliance Report & Periodic Monitoring Report for setting up of 70 MLD Desalination plant of DSDPL at Gandhvi village, Devbhoomi Dwarka district, Gujarat.
809. Six Monthly Compliance Report & Periodic Monitoring Report for setting up of 30 MLD Desalination Plant of GSDPL for GWIL at Vadodara Zala Village, Sutrapada Taluka, Gir-Somnath District, Gujarat.
810. Six Monthly Compliance Report & Periodic Monitoring Report for setting up of 70 MLD Desalination plant of BDPL at Nava ratanpar village, Bhavnagar district, Gujarat (Gogha).
811. Bathymetry survey at Gopalpur Port, Odisha.
812. Mathematical Modelling Study for the Proposed Silt Discharge in Ganges by NTPC Bharauini, Bihar, Shosam Engineering Consultants.
813. Seabed surveys and oceanographic measurements, Outfall temperature profile, Seawater and Seabed sample analysis for upgradation of seawater intake system at Dhruva reactor, BARC, Trombay, Tata Consulting Engineers Limited, Bangalore.
814. Environmental Impact Assessment Study for CRZ clearance for Construction of Anti Erosion Embankment in Peda Mainavani Lanka Village, West Godavari District, Andhra Pradesh, Deloitte Touche Tohmatsu India LLP, Mumbai.
815. Environmental Impact Assessment Study for Construction of Crew Module Handling Jetty for Satish Dhawan Space Centre at Sriharikota, Andhra Pradesh, SHAR, Sriharikota.
816. Submission of CZMA application along with Form 1, Rapid EIA report and CRZ map for the development of ship repair facility at ICGS, Ratnagiri, Mumbai, IITM, Chennai.
817. Amendment in Environmental & CRZ Clearance for Development of Greenfield Non-Major Port at Ramayapatnam in Nellore District of Andhra Pradesh.
818. Consultancy for the re-application of Terms of reference for setting up of captive jetty and desalination plant for integrated cement project at Shree Cement, Shree Cement Ltd., Beawar, Rajasthan.
819. Marine EIA study for development t of Mega Infrastructure of MPSEZ Utilities Limited, Adani.
820. Multibeam Bathymetry surveys at Ennore minor port for sub-sea hose pipe damage assessment, Tiruvallur district, Tamil Nadu, Coromandal International Limited, Chennai .
821. Marine Environmental Impact Assessment Study for routing 400 kV and 220 kV transmission lines passing under SEZ for MPSEZ Utilities Limited (MUL) Mega Power Project in Mundra, Kachchh District.
822. Six monthly compliance report and periodic monitoring report (January June 2023) of Marine Environment for GMEPL Outfall, Chorwad, Gadre Marine Export Private Limited, Ratnagiri.
823. Obtaining final statutory clearance for the development of ship repair facility at ICGS Ratnagiri, IITM, Chennai.
824. Side scan sonar survey at Hinduja Thermal Power plant for assessing the damage on outfall pipes and piled jetty fallen on the seafloor due to Hud Hud Cyclone, Visakhapatnam, Andhra Pradesh.
825. Marine Environmental Impact Assessment study for amendment of CRZ clearance to enhance intake and combined effluent outfall capacities of desalination plant for the existing Deccan Fine Chemicals (India) Private Limited at Tuni, Andhra Pradesh.
- April 2023 – March 2024**
826. Verification of CRZ map and report prepared by IRS, Anna University and preparation of Form I and submission of all necessary document for obtaining CRZ clearances from TNCZMA for repair and reconstruction of existing shore protection seawall for Arulmigu Subramaniya Swamy Temple, Tiruchendur, Fishing Harbour Project Division, Tuticorin.
827. Dredging volume computation report for Sittue Port, Myanmar using Hypack Software, Indian Institute of Technology Madras, Chennai.
828. Bathymetry and Side scan survey for upgradation of existing Jetty at Karaikal for Chemplast Sanmar Limited, Chennai.
829. Environmental Impact Assessment Report & Environmental Management Plan for Expansion and Modernization of Gujarat Pipavav Port Limited (GPPL) APM Terminals at Pipavav, Amreli District, Gujarat.
830. Report on compliance for minutes of MOEFCC and CRZ Committee for laying outfall pipeline desalination plant by Grasim Industries Limited at Ganjam, Odisha.
831. Amendment report for changing the intake design of 100 MLD desalination plant for GIDC in Rahiyad village, Dahej, Bharuch district, Gujarat.
832. Marine Environmental Impact Assessment Study for CRZ Clearance for Extension & Increase in Quantity of Discharge of Treated Effluent Disposal Pipeline for the Existing Agrocel Industries Pvt. Ltd, Avania Village, Bhavnagar District, Gujarat, CCS Enviro Control LLP., Ahmedabad.
833. Bathymetry Survey at VOC port basin, Tuticorin for International Seaport Dredging, Chennai
834. Seabed surveys and Oceanographic measurements for APM Terminals Pipavav Port, Gujarat.
835. Assistance in filling the Parivesh MoEFCC portal regarding construction of Groynes in Periyanaayagi.
836. Compliance report for minutes of DCZMA committee on marine facilities for the proposed petrochemical complex near Periyakuppam village, Cuddalore, Tamil Nadu, Haldia Petrochemicals Ltd., Kolkata.
837. Hydrographic survey at Gopalpur Ports Limited, Odisha.
838. Mathematical modelling study for setting up 400 MLD Desalination plant at Perur, VA Tech Wabag Ltd., Chennai.
839. Environmental Impact Assessment Study related to CRZ Clearance for Construction of Pedestrian Skywalk and Reconstruction of Pipe Culvert by replacing Box Culvert in Santhome High Road, Avvai Nagar, Chennai, Chennai Rivers Restoration Trust, Chennai.
840. Submission of FORM 1, Rapid EIA & CRZ report in Parivesh portal for the development of ship repair facility at ICGS, Ratnagiri, Mumbai, Indian Institute of Technology Madras, Chennai.
841. Six Monthly Compliance Report and Periodic Monitoring Report of Marine Environment for Development of North Side of Bhavnagar Port Gujarat, Bhavnagar Port Infrastructure Pvt. Ltd., Ahmedabad.
842. Marine Environmental Impact Assessment study for CRZ clearance for the release of 300 KLD treated wastewater into the sea from Freelance Fish Meal and Oil Private Limited located at Mirjole MIDC, Ratnagiri, Maharashtra.
843. Marine Environmental Impact Assessment Study for the Existing Discharge of Effluent in Maleshree Creek of Agrocel Industries Pvt. Ltd, Avania Village, Bhavnagar District, Gujarat.
844. Consultancy services for preparing the final EIA report by updating Marine EIA report for 150 MLD Desalination Plant at Kona Village, Kakinada District, Andhra Pradesh incorporating Terrestrial EIA study, Kakinada SEZ Limited, Hyderabad.
845. Marine Environmental Impact Assessment Study for obtaining CRZ Clearances for establishment of 20 MW Demonstration Wind Farm with associated facilities at Dhanushkodi, Tamil Nadu, KPMG Advisory Services Private Limited, Gurugram.
846. CRZ mapping from IRS, Anna University for 5 MPTA Captive Port of IL&FS Tamil Nadu Power Company Ltd, Cuddalore.
847. Amendment of CRZ Clearance to enhance sea water intake, generation of desalination brine and combined outfall capacity of desalination brine of Lyfius Pharma Private Limited through a common network of common marine disposal pipelines with M/s Qule Pharma Pvt. Ltd., Kakinada SEZ, A.V.Nagaram Village, East Godavari District, Andhra Pradesh.
848. Multibeam bathymetry survey at Navigational channel, Inner basin & turning circle and Dumping ground at Angre port, Jaigad village, Maharashtra, Angre Port Private Limited, Ratnagiri.
849. Fast Ship Simulation modelling studies using Marin Shipma software for Terminal Industrial Polyvalent de San Pedro, Phase II, Tristar Infra projects LLP, Mumbai.
850. Detailed Project Report for Terminal Industrial Polyvalent de San Pedro, Phase II, Tristar Infracprojects LLP, Mumbai.
851. Amendment of CRZ Clearance to enhance sea water intake, generation of desalination brine and combined outfall capacity of desalination brine of Qule Pharma Private Limited through a common network of common marine disposal pipelines with M/s Lyfius Pharma Pvt. Ltd., Kakinada SEZ, A.V. Nagaram Village, East Godavari District, Andhra Pradesh.
852. Detailed Project Report for the Development of Fishing Harbour at Manchineelapeta in Srikakulam District, Andhra Pradesh, Andhra Pradesh Maritime Infrastructure Development Corporation Limited, Mangalagiri.
853. Bathymetry and Topographical surveys for the development of fishing harbour at Sutrapada village, Gir Somnath district, Gujarat, Sri Pathy Associates Private Limited, Erode..
854. Collection seawater sample for setting up of 400 MLD Desalination plant at Manori, North Mumbai, IDE Technologies India Private Limited, Noida.

855. Marine Environmental Impact Assessment Study for CRZ Clearance of Development of Shri Alluri Seetharama Raju Centenary Memorial Monument Beach Deck at VUDA Park in Visakhapatnam, Visakhapatnam Metropolitan Region Development Authority, Visakhapatnam.
856. Bathymetry survey for development of Fishing Harbour at Madhwad, Gir Somnath District, Gujarat, Emjay Constructions Chennai.
857. Seabed surveys, Oceanographic measurements, EIA studies and Modelling studies for setting up of 100 MLD desalination plant of Indosol Solar Private Limited at Ramayapatnam, Andhra Pradesh.
858. Verification of co-ordinates of mooring buoys and manifold location using DGPS, Coromandal International Limited, Chennai.
859. Marine Environmental Impact Assessment and CRZ studies, forest and wildlife clearance for the proposed desalination plant and pipeline for M/s. Nayara Energy Limited, Engineers India Limited, Gurugram.
860. Environmental Impact Assessment for the discharge and treated industrial effluent of Wacker Metroark Chemicals Pvt. Ltd. at Gopalpur, Odisha.
861. Marine EIA & CRZ clearance for the 765 kV DC transmission line from KPS 2 to Halvad project, Gujarat, Adani Transmission Step Five Limited, Ahmedabad.
862. Marine EIA study for laying of outfall pipeline for the discharge of treated effluent off Kota, Udupi for Janatha Fish Meal & Oil Products, Udupi.
863. Post Construction Monitoring Report for Discharge of Brine Reject from 4 MLD Desalination Plant of Pearl Distillery Limited, Prakasam District, Andhra Pradesh.
864. Multibeam bathymetry survey at Gopalpur Port, Odisha, Adani Ports and SEZ Ltd. Ahmedabad..
865. Bathymetry survey at MTF Jetty, Cuddalore for Chemplast Cuddalore Vinyls Limited.
866. Offshore Rapid Marine Environmental Impact Assessment Study at the 14 proposed blocks, off the coast of Tamil Nadu at Gulf of Mannar, Tamil Nadu.
867. EIA studies for expansion of Marine Terminals facility of Chemplast Cuddalore Vinyls Limited, Cuddalore.
868. Engineering design of marine intake & outfall pipelines at Ontimamidi village, north of Kakinada, Andhra Pradesh, Hydrotech Systems Pvt. Ltd., Mumbai.
869. Bathymetry survey for obtaining bending radius of the sub-sea pipeline near PLEM, Ennore.
870. Bathymetry Survey at Magdalla Jetty, Ultratech, Gujarat.
871. Bathymetry survey at Sewagram Jetty, Ultratech, Gujarat.
872. Biodiversity Impact Assessment study at Kazhuveli, Public Works Department, Chennai.
873. Six monthly compliance report and periodic monitoring report of Gadre Marine Export Pvt. Ltd., Effluent Treatment Plant at Tundara Village, Balasore District, Odisha.
874. Bathymetry survey at Chevuru and Chennayapalem lake in Ramayapatnam village, Nellore district, Andhra Pradesh.
875. Obtaining MCZMA clearances and providing technical assistance on submission of application to MoEF&CC strategic committee for the development of ship repair facility at ICGS, Ratnagiri, Mumbai, Indian Institute of Technology Madras, Chennai.
876. Dredge Disposal Modelling studies using MIKE 21 PA model at Kamorta, Andaman & Nicobar Islands, Indian Institute of Technology Madras, Chennai..
877. Obtaining Environmental, CRZ and Forest clearances for the bulk cement terminals with jetties at Sanghi Industries Limited, Gujarat.
878. Oil spill Management Plan based on the oil spill dispersion model study for the proposed Jawahardweep Island, Maharashtra, Terracon Ecotech Pvt. Ltd., Mumbai
880. Hydrodynamic and sediment transportation modelling studies for the development of shipyard near Ratanpur, Gulf of Khambhat, Modest Infrastructure Private Limited, Bhavnagar, Gujarat.
881. Collection and analysis of wave data from UKMO for the development of all-weather cargo handling port at Manki, Karnataka, Indian Institute of Technology Madras, Chennai.
882. Design waves for the development of the evacuation system for the upcoming offshore wind energy projects at Mahuva, Gulf of Khambhat, Gujarat, Indian Institute of Technology Madras, Chennai.
883. Marine EIA studies for the release of treated wastewater from fish meal manufacturing plant, Ratnagiri, Omega Fish Meal an Oil Private Limited, Ratnagiri.
884. Preparation of revised EIA report for construction of Fishing Harbour at Kazhuveli waters in Alagankuppam, Villupuram and Alamparaikuppam, Chengalpet District, Fishing Harbour Project Division, Chennai.
885. Pre-Feasibility studies for setting up of Desalination at Nellore, Andhra Pradesh, AECON Infra solutions, Chennai.
886. Prediction of changes in the shoreline for the next 30 years at the modular manufacturing unit at Dahej, Gujarat, Technip Engineers India Limited, Dahej, Gujarat.
887. Conceptual design for intake and Outfall for desalination plant at Curacao, Netherlands, Aquatech Systems Asia Pvt. Ltd., Hosur, Krishnagiri.
888. Conducting Pre – Feasibility study for identifying the suitable sites to develop a floating Solar Power Plant at Bahrain, Tata Consulting Engineers Limited, Bangalore.
889. EIA Study, Conservation Plan, Modelling Study, Bathymetry survey, Current & Tide Measurements for obtaining statutory clearances for the expansion of existing Lighterage jetty and revamping of old jetty at Jamnagar, Gujarat, Shree Digvijay Cement Co. Ltd., Jamnagar.
890. Revision of CRZ map and revision of Unit 2 EIA for Lantech at Chittivalasa, Pydibhimavaram, Ranasthalam, Srikakulam, Aparna Pharmaceuticals Private Limited, Hyderabad.
891. Bathymetry, Topography and Side scan Survey for the development of new approach trestle at Cuddalore Jetty, Chemplast Cuddalore Vinyls Limited, Cuddalore.
892. Environmental and CRZ clearance for the proposed passenger jetties and associated landslide facilities at Androth, Kadmath and Kalpeni Islands in Lakshadweep, Cochin Port Authority, Cochin.
893. Mathematical Modelling study for shoreline advancement for the intake water system at desalination plant, Chennai Petroleum Corporation Limited, Chennai, Hubert Enviro Care Systems Pvt. Ltd., Chennai.
894. Dynamic mooring analysis for the development of berth in San Pedro. Ivory Coast, Tristar Infraprojects LLP (TIPL), Mumbai.
895. Assistance in Preparation of Forms and Documents and attending the ToR meeting of Ship Repair facility at ICGS, Ratnagiri, Indian Institute of Technology Madras, Chennai.
896. Bathymetry survey for the construction of shore protection wall at Hazira, Gujarat, Indian Institute of Technology Madras, Chennai.
897. Bathymetry survey at VOC pot Basin, International Seaport dredging Private Limited, Chennai.
898. Wave Tranquility study for Gujarat Cement Works (GCW) located at Kovaya, Gujarat, Ultratech Cement Limited, Mumbai.
899. Detailed design and Engineering (DPR) of Seawater Intake system and outfall system for the proposed 100 MLD desalination plant at Ramayapatnam, Andhra Pradesh, Indosol Solar Pvt. Ltd., Nellore.
900. EIA Studies for the establishment of transmission lines from Gulf of Kachchh to Jamnagar, Reliance Industries Limited, Mumbai.
901. Conducting carrying capacity study of the Sharavathi Estuary for the development of Honnavar Port Private Limited, Hyderabad.
902. Modelling studies for the development of Machilipatnam Greenfield port, Andhra Pradesh, Megha Engineering and Infrastructures Ltd., Hyderabad.
903. Six Monthly compliance and periodic monitoring report of Marine environment for Gadre Marine, Balasore, Gadre Marine Export Pvt Ltd., Odisha.
879. Bathymetry, Topography, Current & Tide Measurements, Marine EIA, Mathematical Modelling study, CRZ study, obtaining CRZ clearances for setting up of 0.45 MLD Desalination Plant at Alibaug, Maharashtra, Vedathma Properties Private Limited, Mumbai.

April 2024 – March 2025

904. Pre – dredging, Post Dredging and Daily dredging monitoring survey at Angre Port, Angre Port Pvt. Ltd., Maharashtra.
